

## **1. EXCLUSIVE RESIDENTIAL USE AND IMPROVEMENTS**

- A. All lots in the tract shall be known and described as residential lots and shall be used for single family residential purposes exclusively.
- B. No structure shall be erected, altered, placed or permitted to remain on any residential building lot other than detached single family dwelling not to exceed two and one-half stories, or 50 Feet in height, and a private garage for not more than four cars, and other outbuildings incidental to and necessary for proper residential use of the lot.
- C. Notwithstanding anything to the contrary herein, the undersigns or their assigns shall be permitted to construct and maintain on one lot only a structure and related facilities designed and used as a sales center for the marketing of real estate including the lots subject to these covenants and adjoining land and improvements thereon owned by the undersigns or their assigns.
- D. No building shall be located on any lot nearer to the front lot line or nearer to the side street line than the minimum building setback lines shown on the recorded plat. No building shall be located on any lot nearer than 59 feet to the front lot line (75 feet from the curb), or nearer than 25 feet to any side street line, unless specifically approved by the Committee. No building shall be located nearer than 10 feet to an interior lot line. No dwelling shall be located on any interior lot nearer than 35 feet to the rear lot line. For the purpose of this covenant, eaves, steps, and open decks or terraces shall not be considered as a part of a building, provided, however, that this shall not be construed to permit any portion of a building on a lot, to encroach upon another lot.
- E. No residential structure shall be erected or placed on any building plot which plot has an area of less than 15,000 square feet.
- F. Each main structure residential building, exclusive of open porches, garages, basements and carports, shall not be less than 2,000 sq. ft. on the ground floor of any one-story building and not less than a total of 2,200 sq. ft. in the case of a 1 1/2-story building, with a minimum of 1,600 sq. ft. of the 2,200 sq. ft. being on the first floor of a 1 1/2-story building and not less than 2,600 sq. ft in the case of a 2-story building with a minimum of 1,300 sq. ft. being on the first floor of the 2 story building. The undersigned is authorized and reserves the right to cancel, amend, change, delete and/or grant a variance for any lot or group of lots subject to the conditions, limitations and restrictions contained herein applicable to the property described herein above.
- G. No more than a single family unit shall occupy any dwelling house.
- H. No lot once subdivided and recorded by the undersigns or their assigns, shall be further subdivided, except by the undersigns.

## **2. GENERAL REQUIREMENTS**

- A. It shall be the responsibility of each lot owner to prevent the developments of any unclean, unsightly or unkept conditions of buildings or grounds on such lot which shall tend to decrease the beauty of the specific area or of the neighborhood as a whole.
- B. No weeds, underbrush or other unsightly growth shall be permitted to grow or remain upon any part of the property and no refuse pile or unsightly objects shall be allowed to be placed or suffered to remain upon any part of the property, including vacant parcels. The undersigns reserve the right (after 10 days notice to the owner) to

enter any residential lot during normal working hours for the purpose of mowing, removing, cleaning or cutting underbrush, weeds or other unsightly growth and trash which in the opinion of the undersigns detracts from the overall beauty and safety of the subdivision and may charge the owner a reasonable cost for such services, which charge shall constitute a lien upon such lot enforceable by appropriate proceedings at law or equity. This provision shall not apply to the undersigns or their assigns during the sales and development period, such sales period to extend until the last lot is sold by the undersigns.

- C. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot, except dogs, cats or other household pets may be kept provided that they are not kept, bred or maintained for any commercial purpose.
- D. No noxious or offensive trade or activity shall be carried on upon any lot nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.
- E. Unless permitted by contracts or previously recorded instruments, no oil drilling, oil development operations, oil refining, quarrying or mining operations of any kind shall be permitted upon or in any lot, nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any lot. Unless permitted by contracts or previously recorded instruments, no derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any lot.
- F. No trash, garbage or other refuse shall be dumped, stored or accumulated on any lot. Trash, garbage or other waste shall not be kept on any lot except in sanitary containers or garbage compactor units. Garbage containers, if any, shall be kept in a clean and sanitary condition, and shall be so placed or screened by shrubbery or other appropriate material approved in writing by the Committee as not to be visible from any road, waterway, or golf course within sight distance of the lot at any time except during refuse collection. No outside burning of wood, leaves, trash, garbage or household refuse shall be permitted, except during the construction period.
- G. No structure of a temporary character, trailer, basement, tent or shack shall be used at any time as a residence either temporarily or permanently. There shall be no occupancy of any dwelling until the interior, exterior and landscaping of the dwelling is completed and a certificate, or other satisfactory evidence, of completion is received and approved by the Committee.
- H. Chain link or other wire fences shall not be used. A wooden fence or privacy screen shall be used in such areas. No fence, wall, hedge or shrub planting, which obstructs sight lines at elevations between 2 and 6 feet above the roadways, shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and a line connecting them at points 25 feet from the intersection of the street lines, or in the case of rounded property corner, from the intersections of the street property lines extended. The same sight line limitations shall apply on any lot within 10 feet from the intersection of a street property

line with the edge of a driveway or alley pavement. Trees shall be permitted to remain within such distances of such intersections provided the foliage line is maintained at sufficient height to prevent obstruction of such sight lines.

- I. No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than two (2) square feet, one sign of not more than six square feet advertising the property for sale or rent, or signs used by the builder to advertise the property during the construction and sales period. All signs shall comply with design specifications of the Architectural Control Committee. No signs shall be nailed to trees. This provision shall not apply to the undersigns or their assigns during the sales period.
- J. During all construction, all vehicles involved, including those delivering supplies, must enter the building lot on the driveway only as approved by the undersigns so as not to damage, unnecessarily, trees, street paving and curbs. Any damage not repaired by the contractor will be done by the undersigns (after 10 days written notice) and will charge the contractor (or owner) a reasonable cost for such services, which charge shall constitute a lien upon such lot enforceable by appropriate proceedings at law or equity. During construction, builder must keep the homes, garages and building sites clean. All building debris, stumps, trees, etc. must be removed from each building lot by builder as often as necessary to keep the house and lot attractive. Such debris will not be dumped in any area of the Subdivision.
- K. When the construction of any building is once begun, work thereon must be prosecuted diligently and continuously and must be completed within 12 months, unless approved by the Committee.
- L. Garage door should not be permitted on the front of houses. In cases where it is unavoidable, electric automatic door closers shall be used.
- M. Outside air conditioning units may not be located in the front yard or any required side or rear yard.
- N. No plumbing or heating vent shall be placed on the front side of the roof. All vents, protruding from roofs shall be painted the same color as the roof covering.
- O. The use of satellite dishes will be restricted to the rear of each lot. No satellite dish will be allowed on the front or side yards of the lots. A plot plan illustrating the location and the planting of trees and shrubs (hiding the satellite dish from view) must be submitted to the Architectural Control Committee for written approval of the installation. The dish should not be hidden from the street view.
- P. No tree houses will be allowed. Any additional structure that is not included in the original approval of the blueprints must be submitted to the Architectural Control Committee for approval.

- Q. No motor homes, boats or other types of vehicles can be parked or stored in any location that can be seen from the street.

### 3. ARCHITECTURAL CONTROL COMMITTEE AND PLAN APPROVAL

- A. The Architectural Control Committee is composed of Bill D. Eddleman, Douglas D. Eddleman and Susan E. Carr. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee, nor its designated representative, shall be entitled to any compensation for services performed pursuant to this covenant. At any time, the then record owners of a majority of the lots shall have the power, through duly recorded written instrument, to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties.
- B. All plans for any structure or improvement whatsoever to be erected on or moved upon or to any lot, and the proposed location thereof on any lot or lots, the exterior construction material, the roofs, any later changes or additions to the exterior of the building after initial approval thereof on any lot shall be subject to and shall require the approval in writing of the Committee before any work is commenced. Construction may not be started before receipt of a Letter of Approval of the Committee, a copy of which must be signed by the Builder or Owner, and returned to the Committee for retention.
- C. Any remodeling, reconstruction, alterations or additions to an existing residence shall not require the written approval of the Committee, but shall comply with all restrictions and covenants.
- D. One set of prints of the drawings (herein referred to as "plans") for each house or other structure proposed to be constructed on each lot shall be submitted for review and approval or disapproval by the Committee. The plans submitted to the Committee shall be retained by the Committee. Said plans should be delivered to the office of Douglas D. Eddleman (510 Bank for Saving Building, Birmingham, Alabama) at least ten (10) days prior to the beginning of construction. Each such plan must include the following:
1. An accurately drawn and dimensional plot plan showing all buildings set-backs, easements, drives and walks.
  2. Foundation plan, floor plan, exterior elevations of buildings as they will actually appear after all back filings and landscaping is done from finished ground up. (The back filling sketch may be drawn by a builder.)
  3. All plans must include a summary specifications list of proposed materials and samples of exterior materials which cannot be adequately described on the plans, and of materials with which the Committee is

unfamiliar. Also all exterior colors must be submitted for approval.

- E. The Committee's approval or disapproval as required in these covenants shall be in writing. In the event the Committee or its designated representative, fails to approve or disapprove, within 30 days after plans and specifications have been submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications.
- F. Neither the Committee nor any architect nor agent thereof nor the developer shall be responsible to check for any defects in any plans or specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications.

4. The undersigns reserve for themselves, their successors and assigns the right to use, dedicate and/or convey to the State of Alabama, to Shelby County, and/or to the appropriate utility company or companies, rights-of-way or easements on, over or under the ground to erect, maintain and use utilities, electric and telephone poles, wires, cables, conduits, storm sewers, sanitary sewers, water mains and other suitable equipment for the conveyance and use of electricity, telephone equipment, gas, sewer, water or other public conveniences or utilities on, in and over strips of land fifteen (15) feet in width along the rear property line of each lot, and eight (8) feet in width along each side of each lot.

5. Each and every covenant and restriction contained herein shall be considered to be an independent and separate covenant and agreement, and in the event any one of more of said covenants or restrictions shall, for any reason, be held to be invalid or unenforceable, all remaining covenants and restrictions shall nevertheless remain in full force and effect.

6. Said undersigns may include in any contract or deed hereafter made any additional covenants and restrictions that are not inconsistent with and which do not lower the standards of the covenants and restrictions set forth herein.

7. The covenants and restrictions herein shall be deemed to be covenants running with the land. If any person shall violate or attempt to violate any of such restrictions or covenants, it shall be lawful for the undersigns, or any person or persons owning any lot on said land: (A) To prosecute proceedings at law for the recovery of damages against the person or persons so violating or attempting to violate any such covenant or restriction, or (B) To maintain a proceeding in equity against the person or persons so violating or attempting to violate any such covenant or restriction for the purposes of preventing such violation, provided however, that the remedies in this paragraph contained shall be construed as cumulative of all other remedies now or hereafter provided by law.

8. Subject to the approval of the undersigns and upon the unanimous vote of the Architectural Control Committee, the Committee reserves the right to

change, amend, delete, alter and add to the above regulations and restrictions.
